FP/Circular/2020/05

Date: 20.03.2020

#### **Corona Virus: Preventive measures for SCI Fleet**

To prevent spread of Corona virus, following steps are implemented for entire fleet owned and managed by SCI:

1. No fresh reporting of seafarers shall be accepted by SCI for ship joining purpose.
2. Seafarers who have already reported and are in process of joining vessels, shall be permitted to join the vessel but subject to local authorities permission and requirements.
3. Sign off of seafarers from ships is put on hold.
4. Rating selection shall continue to be on hold.
5. Any urgent situation of seafarer's sign on /off shall be dealt on the merit of the case.

The above measures will be in effect till 05.04.2020. Corona virus situation shall be monitored, reviewed and if required further decisions shall be taken.

This is being issued with the approval of the Competent Authority.
